### Description

When you are looking for an original fabric pattern to decorate your interior, the **Mariposa 8003** is a great choice. The lavender pattern of the fabric refers, among other things, to the boho style. Beautiful lavender in pots and napkins create a familiar and idyllic atmosphere. **Whenated fabric Mariposa 8003** will create a unique charm in your home or restaurant. Thanks to the fact that lavenders are associated very positively, they will perfectly fit into any arrangement. Fabric

**Mariposa 8003** can be successfully used in a children's room, living room or even in the dining room. Due to the fact that there are charming napkins in the color of lavender on the fabric **Mariposa 8003**, it will also perfectly blend into the arrangements of any kitchen. It should also be remembered that this type of fabric will look great on pillows or curtains. Thanks to the fact that the material is waterproof, you can use it to upholster terrace furniture, or make this fabric a curtain separating the place of relaxation on the terrace from insects. Fabric **Mariposa 8003** is resistant to ironing and does not deteriorate after washing in a washing machine.
